

IN SENATE OF THE UNITED STATES.

JANUARY 12, 1846.

Submitted, and ordered to be printed.

Mr. BAGBY made the following

REPORT :

The Committee on Indian Affairs, to whom was referred the claim of Catlin Peeples & Co., for goods forcibly taken from them by a body of hostile Creek Indians, in May, 1836, report :

That while the committee are fully satisfied, from the evidence in the case, that the claimants did sustain a loss to the amount of \$1,612 72, that loss was incurred while there was an actual state of war between the United States and the Creek Indians ; and that, therefore, the claimants are not entitled to indemnity.

The committee, therefore, recommend that the claim be disallowed.
